RE: *Kim, et al. v. Weld Power Generator, Inc. et al.*
Civil Action No. 20 Civ. 10669 (SDA)

Dear Judge Aaron:

This office represents the Plaintiffs in the above-referenced action. We write, jointly with counsel for Defendants, to respectfully request an extension of the current June 2, 2022 deadline for filing the parties' motion for settlement approval.

The reason for this request is that, while the parties are close to finalizing their settlement materials, they require additional time to discuss certain proposed language and obtain signatures. The parties expect to have a finalized agreement within a week and can begin obtaining signatures at that time. Accordingly, we respectfully request a two (2)-week extension, to June 16, 2022, to submit the settlement agreement and motion for approval.

This is the parties' first request for an extension of the deadline to submit their settlement agreement.

We appreciate Your Honor's attention to this matter.

Respectfully submitted,

/s/ Brent E. Pelton
